Lifetime Maximum: \$2,000,000

Annual Deductible: Refer to your benefits brochure for your specific deductible amount. Family deductible applies when the subscriber and one or more dependents are enrolled.

Annual Out-of-Pocket Amount: \$5,000 Member/\$10,000 Family. The total amount of coinsurance and deductible amount you or you and your family are responsible to pay during a calendar year for covered services, after which the plan will provide benefits at 100 percent of the allowed amount for the remainder of that calendar year, unless otherwise specified. Any balances of charges not covered by this plan will be you or you and your family's responsibility to pay. The family out-of-pocket amount applies when the subscriber and one or more dependents are enrolled. Prior to benefits being paid for any family member at 100%, the entire family out-of-pocket maximum must be met.

Emergency Care: Emergency benefits will be provided at the level specified for a Preferred Plan provider. In the event of a medical emergency, treatment by a provider not normally covered under this plan will be recognized for a 24-hour period or for such additional time as is reasonably required to come under the care of a Preferred Plan or participating provider. Benefits will be based on the recognized provider's actual charge for the service.

Care Outside the Service Area: All care received outside the service area will be paid the same as in the service area if you use a Preferred Plan or participating provider. Payment will be based on the allowed amount. To receive the highest benefit level, you must receive services from a Preferred Plan provider. If there is no Preferred Plan provider network in an area, benefits will be provided for care received from a participating provider at the level specified for Preferred Plan providers. Benefits will be provided for care received from a recognized provider at the level specified for Preferred Plan providers, only if there is no local Blue Cross and/or Blue Shield participating provider network in a particular area and for medical emergencies. Call 1-800-810-BLUE for names of Preferred Plan or participating providers with the local Blue Cross and/or Blue Shield plan. When you need health care outside of the United States or its territories, call the BlueCard Worldwide Service Center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177.

Cost Containment Provisions: All hospital and skilled nursing facility admissions must be medically necessary. Preadmission approval is required for all inpatient admissions outside the service area if you seek care from providers who have not contracted with a Blue Cross and/or Blue Shield plan, except for emergency services or maternity admissions.

Waiting Periods: No benefits are provided for treatment relating to a transplant until you have been covered under this or a prior plan with the Company (Regence BlueShield) for six consecutive months. There is a preexisting condition waiting period that must be met prior to benefits being available. Refer to your benefits brochure for details regarding this waiting period. Maternity benefits and PKU benefits are not subject to the waiting periods of this plan.
